

***FSA Modernization Program***  
**United States Department of Education**  
**Financial Student Aid**

**Inventory of Systems and Servers**  
**For IFAP and Schools Portal**

**February 2002**

## Server Information for Applications Maintenance Team

### *IFAP Servers:*

| <b>Server</b>               | <b>Product</b>     | <b>Server</b>     | <b>Webpage</b>  |
|-----------------------------|--------------------|-------------------|---|
| IFAP Development JSP        | Application Server | su35e5            | <a href="http://dev.ifap.ed.gov:8531">http://dev.ifap.ed.gov:8531</a>   |
| IFAP Testing JSP            | Application Server | su35e5            | <a href="http://test.ifap.ed.gov:8531">http://test.ifap.ed.gov:8531</a> |
| IFAP Development HTML       | Web Server         | su35e2            | <a href="http://dev.ifap.ed.gov:8532">http://dev.ifap.ed.gov:8532</a>   |
| IFAP Testing HTML           | Web Server         | su35e2            | <a href="http://test.ifap.ed.gov:8532">http://test.ifap.ed.gov:8532</a> |
| IFAP Production Server JSP  | Application Server | su35e9 & su35e13  | <a href="http://ifap.ed.gov">http://ifap.ed.gov</a>                     |
| IFAP Production Server HTML | Web Server         | su35e10 & su35e12 | <a href="http://ifap.ed.gov">http://ifap.ed.gov</a>                     |

### *Schools Portal Servers:*

| <b>Server</b>             | <b>Product</b> | <b>Server</b> | <b>Webpage</b>  |
|---------------------------|----------------|---------------|---|
| Schools Portal Testing    | Portal Server  | su35e1        | <a href="http://actest.schoolsportal.ed.gov:8182">http://actest.schoolsportal.ed.gov:8182</a> |
| Schools Portal Staging    | Portal Server  | su35e1        | <a href="http://test.schoolsportal.ed.gov:8181">http://test.schoolsportal.ed.gov:8181</a>     |
| Schools Portal Production | Portal Server  | su35e8        | <a href="http://FSA4schools.FSA.ed.gov">http://FSA4schools.FSA.ed.gov</a>                     |

### *Interwoven Server:*

| <b>Server</b>     | <b>Product</b> | <b>Server</b> | <b>Webpage</b>  |
|-------------------|----------------|---------------|---|
| Interwoven Server | Team Site      | su35e5        | <a href="http://su35e5.ed.gov/iw">http://su35e5.ed.gov/iw</a> |

### *Autonomy Servers:*

| <b>Server</b>             | <b>Product</b> | <b>Server</b> | <b>IP Address</b> |
|---------------------------|----------------|---------------|-------------------|
| Search Engine (Primary)   | Autonomy       | sue35e7       | 4.20.17.141       |
| Search Engine (Fail Over) | Autonomy       | sue35e15      | 4.20.17.149       |

## Database Information for Applications Maintenance Team

### *IFAP Databases:*

| <b>Database</b>  | <b>Database name</b> | <b>Server</b> |
|------------------|----------------------|---------------|
| IFAP Development | IFAPDEV              | HPV2          |
| IFAP Testing     | IFAPTST              | HPV2          |
| IFAP STAGING     | IFAPSTG              | HPV2          |
| IFAP Production  | IFAP                 | HPV2          |

### *Schools Portal Database:*

| <b>Database</b> | <b>Database name</b> | <b>Server</b> |
|-----------------|----------------------|---------------|
| SP Development  | VICDEV               | HPV1          |
| SP Testing      | VICTST               | HPV1          |
| SP Staging      | VICSTG               | HPV1          |
| SP Production   | VIC                  | HPV2          |

## Hardware and Software Information for Applications Maintenance Team

### ***Application and Web Servers:***

IFAP Hardware: Sun Servers running the Solaris 2.6 Operating System

Schools Portal Hardware: Sun Servers running the Solaris 2.6 Operating System

### ***Interwoven TeamSite:***

Hardware: Sun Servers running the Solaris 2.6 Operating System

Software: Interwoven TeamSite 5.0.1

### ***Autonomy:***

Hardware: Sun Servers running the Solaris 2.6 Operating System

Software: Autonomy 2.1.0

### ***Oracle Database:***

Hardware: HP running HP-UX 11.0 Operating System

Software: Oracle 8i; Release 8.1.7.2.0

## Revision Log

This log should be updated after each new version as a means of tracking the changes that have been made to the document. Relevant information includes: date of revision, name of person making the revision, and a short description of the changes.

| Version | Revised By    | Description of Changes |
|---------|---------------|------------------------|
| 2-18-02 | Lisa Phillips | Initial Release        |
